

DIVISORI PARTITIONS

La flessibilità dei pannelli Arianna permette di ottenere configurazioni dritte o curve semplicemente avvicinando o allontanando i montanti.

The suppleness of Arianna panels allows to obtain straight or curved compositions, simply by moving the uprights closer or away.

La souplesse des panneaux Arianna permet d'obtenir des compositions droites ou courbes par simple déplacement des montants.

La flexibilidad de los paneles Arianna permite configuraciones rectas o curvas simplemente acercando/alejando los laterales.

Durch die Flexibilität der Arianna-Paneele können diese gerade oder gebogen aufgestellt werden, indem die Distanz zwischen den Stehern verändert wird.

I pannelli cod. 6310, 6310-M, 6312, 6312-M possono facilmente essere personalizzati tramite stampa serigrafica o stampa digitale. Poiché il pannello è semi-trasparente, la stampa è possibile su un solo lato.

The panels codes 6310, 6310-M, 6312, 6312-M can be easily customized through screen printing or digital printing. Since the panels are semitransparent, the printing is possible on one side only.

Les panneaux réf. 6310, 6310-M, 6312, 6312-M sont facilement personnalisables grâce à l'impression sérigraphie ou numérique. Vu que le panneau est semi-transparent, l'impression n'est possible que d'un seul côté.

Los paneles cod. 6310, 6310-M, 6312, 6312-M se pueden fácilmente personalizar mediante impresión serigráfica o impresión digital.

Desde el panel es semitransparente, la impresión sólo puede realizarse por un lado.

Die Panele Art. 6310, 6310-M, 6312, 6312-M sind leicht durch Siebdruck oder Digitaldruck individuell zu gestalten. Da das Paneel halbdurchsichtig ist, kann nur eine Seite bedruckt werden.
