

VALID FROM **1 SEPTEMBER 2016**

Dear business friends,

Welcome to the new issue of RIM CZ s.r.o. newsletter. We believe you had nice holidays and a successful end of summer is still before you.

In this newsletter we would like to acquaint you with some activities that will take place this autumn, and mainly with important changes from November 2016 we are preparing for you.

25 YEARS

At the end of September, our company celebrates 25 years of operation in the market. In this time a lot of things, which many of you surely remember, have changed. Let's celebrate this anniversary with us and long may success continue.

ORGATEC 2016

You are invited to visit our stand at **ORGATEC** fair 2016 in Cologne. This exhibition takes place on 25 to 29 October 2016 and we will be glad to see you there.

NEW CATALOGUE AND PRICE LIST

An important date is November 1 because a new catalogue and price list for 2016-2017 come into force. The new catalogue includes an exclusive collection of TEA office chairs, upholstered chairs ANET, sofas MODULAR 2 and also a large number of wooden accessories and tables. In price list 2016/2017 prices have risen by 2% due to increase in cost material prices.

In order to become more familiar with these changes and thus use them better, you will receive the price list and catalogue by e-mail. The printed form you can expect during October.

I look forward to you and on behalf of our entire team wish you nice rest of summer.
